Good afternoon Kelly,

Thank you for your submission. We're in the process of preparing our summary of submissions for Plan Change 50, however based on our reading of your submission we are unclear on the decision you would like Council to make.

Please send a reply with what you would like Council to do in regards to the plan change and we can add this into your submission. This could be related to the plan change as a whole or it could be something specific. If you can please send this through before next Friday 23<sup>rd</sup> February that would be much appreciated.

I have attached your original submission as reference. Please let us know if you have any questions.

Thank you

Hayley
